Dave,

I don't know whether I've seen another tribe send notice via e-mail -- I think there have always been physical letters in the packages I've seen thus far. Would this be OK?

Thanks!

Hi Robie,

I wanted to double check that sending a notice via email (instead of post) to the Great Lakes States and Tribes regarding our proposed WQS (and modification of the GL human health criteria) is acceptable.

Let me know.

Thanks,
Naomi
